

ANNA RENSTRÖM

Presentation

My name is Anna Renström and I live with my family in a small village in a beautiful coastal area in Västernorrland named the High Coast. In 1998 I graduated from the Academy of Fine Arts in Umeå and have since worked as a visual artist in Nordingrå.

Artistically I have an emotional closeness to my subjects, and I see the value in everyday things. At the same time, it's also vital to find overall spatial solutions for a place. A colleague summed up my works so well: Intimate and whole.

The joy of discovery is of great importance for my artistry. I then implement new ideas in themes for exhibitions. My accumulated experiences will hopefully benefit me in creating future works of art.
